Food & Non-alcoholic Beverages: Professional, registered, well-presented stalls that provide delicious meals, desserts and/or beverages. Food vendors offering healthy, local, organic, authentic and ethically sourced food will be given preference.

Baked Goods: Stalls that sell pre-baked goods entirely produced by the applicant qualify for this category. No food preparation within the stall.

Edible Goods: Stalls that sell pre-packaged, edible goods entirely produced by the applicant (e.g. tea, honey, spices, chocolate, etc.) qualify for this category. No food preparation within the stall.

Artisan: We love to support artists and crafters who produce wares with their own skills and we're

proud to promote them at our festival markets. This category is exclusively reserved for stalls who only sell products handmade by the applicant.
